

Unit I

Name: _____

Worksheet #1: Examples of Systems

- Look at **page 46** in the text book to answer the questions below.
1. Study the photographs in the collage on page 46, and describe what you see in each one.

Photograph	Description
A	
B	
C	
D	
E	

2. For each photograph, think about some of the connections that are present beyond what you see. For example, the rock band is connected to electric power lines through a microphone, guitars, and amplifiers. It is connected to the audience by the communication of its music and lyrics.

3. Suggest whether each image represents a **NATURAL** or a **HUMAN SYSTEM**, or a combination of the **TWO**.

PHOTOGRAPH	SYSTEM
A	
B	
C	
D
